# 2022 SWA 4R Scavenger Hunt

The Adventure Continues...

Your favorite recycling pirates are it again! Gather your crew and join Captain Blue Bin and First Mate Yellow Bin for another scavenger hunt adventure to discover how to **REDUCE, REUSE, RECYCLE** and **RETHINK** your waste. This family-friendly event will have buccaneers completing missions on the SWA Greenway Trails, at home and throughout the county at special Ports of Call.

Participating crews will use the free GooseChase app on their mobile devices to complete missions and earn points. Prizes will be awarded to the top three crews and all crews will have the opportunity to win valuable loot.

Hosted by the Solid Waste Authority of Palm Beach County and Grassy Waters Preserve, the event will conclude on November 12 at the **SWA Celebrates America Recycles Day** event. Participants will have the opportunity to complete site-specific missions during the event as they conclude their quest for the treasure.

Registration: Oct 1  
Hunt Begins: Oct 20  
Hunt Ends: Nov 12
